Offer

After receipt of a request for services, bio.inspecta prepares an offer for the service (which is adapted to type of activity, size of unit, distance etc).

Terms of payment

- 70% of the estimated costs are payable in advance before the services are ordered. bio.inspecta reserves the right to ask for a prepayment of 100 % of the offer issued in specific cases.
- The payment will be done according to the invoice issued by bio.inspecta.
- The amount reflected in the invoice may differ from the offer, because it reflects the real costs.
- The total payment or the remaining payments for the service shall be paid within 30 days of receipt of invoice.
- For any bank transfer that reflects the payment of the costs of the service, the transfer cost shall be covered by the client (sender of the transfer). In case that the transfer costs are not covered, bio.inspecta will charge the difference in the following invoices.
